# Facial Elixirs

## The Future Of Skincare Is Upon Us

At LI'TYA we believe that beauty comes from a true connection to mother earth.

As the seasons change, so does our skin, which is why you need a targeted skincare regime created specifically for your skin type.

By unlocking the scientific benefits of cutting edge skincare technology combined with thousands of years of ancient Aboriginal plant wisdom we have created an ultra concentrated range of targeted treatment Elixirs.

Using only the purest of native Australian botanicals such as Old Man Weed these potent facial Elixirs achieve immediate results by maximising your skin's ability to achieve ultimate balance and beauty from deep within the skin structure.

The powerful gemstone Hematite works to stimulate cellular activity and fight free radicals for an all over healthy glow. Reveal your best skin because now is the moment of your being...
